

Vernon Primary School

Anti-Bullying Policy

This policy is designed to be used alongside and in addition to other relevant policies and documentation, such as the Behaviour Policy, Safeguarding Policy, SEND Policy, Inclusion Policy, Accessibility Policy, Confidentiality Agreement, Equality Plan and the Diversity Role Models Partnership (Government Equalities Legislation).

At Vernon Primary School, staff, Parents/Carers and children work together to create a happy, caring, inclusive and welcoming learning environment. We promote an ethos of truth and honesty in a place in which everyone feels valued and shows respect for each other and their surroundings. As a team, we are committed to high expectations and continuous improvement. We adopt a child-centred approach to high quality teaching and learning, inspiring everyone to achieve their full potential.

Headteachers have a legal duty to outline procedures to prevent bullying among pupils and to bring the procedures to the attention of staff, governors, Parents/Carers and children.

We are committed to providing a caring, friendly and safe environment for all our pupils so they can learn in a secure atmosphere. Bullying, either verbal, physical or indirect will not be tolerated at our school. It is everyone's responsibility to aim to prevent occurrences of bullying and to deal with any incidents quickly and effectively.

Bullying can be brought to the attention of staff either by the victim(s), their friend(s), their parent(s)/carer(s) or other interested people.

Bullying is hurting a person deliberately, where it is difficult for those bullied to defend themselves. It is described as a deliberate act carried out to cause distress solely in order to give a feeling of power, status or other gratification to the person bullying. It can be a single incident that has a lasting effect upon the victim, or it may be a pattern of repeated behaviour that takes place over time.

When children are asked about bullying, they often describe unkind or hurtful behaviour rather than actual bullying. This kind of behaviour needs to be addressed and everyone concerned needs to know how to deal with it. It is imperative that we fully understand what is bullying before we identify all hurtful behaviour as bullying.

'Nobody else is Quite like Me'

Bullying is:

- meant to hurt or intended to cause distress
- deliberate
- may be repeated over a period of time
- an imbalance of power

Bullying manifests itself in several ways:

- Physical (e.g. hitting, kicking, theft)
- Verbal (e.g. name calling)
- Indirect (spreading rumours, excluding someone)
- 'Cyber-Bullying' or 'Virtual' bullying (the use of technology and/or social media to bully an individual)

Signs of Bullying:

A pupil may display signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and should investigate if a child:

- is frightened of coming to or from school;
- changes their usual routines;
- is unwilling to go to school;
- is often absent or shows a pattern of absence;
- becomes withdrawn, anxious, or lacking in confidence;
- starts becoming nervous when asked to speak;
- attempts or threatens to run away;
- cries themselves to sleep at night or has nightmares;
- feels ill in the morning;
- changes their behaviour in school or their attitude to school work;
- comes home with clothes torn or books damaged;
- has possessions going 'missing';
- asks for money or starts stealing money;
- has unexplained cuts or bruises;
- becomes aggressive, disruptive, unreasonable;
- is bullying other children or siblings;
- stops eating;
- begins relying on adult support;
- is frightened to say what's wrong;
- gives improbable excuses for any of the above.

These signs and behaviours could indicate other problems, but bullying should be considered as a possibility and should be investigated. All staff must be aware of the signs of bullying (supported by the 'Signs of Bullying' checklist) and act promptly against it in accordance with school policy.

The school acknowledges the need to be proactive in addressing bullying and understands that a culture of openness and honesty is of paramount importance.

Strategies in place to specifically address bullying and its effects include:

- The Vernon Primary School **Superheroes 'Power for Good'** whole-school initiative - this includes classroom practice and lessons, assemblies, displays, posters and focused days;
- The school's 'Safeguarding Committee', comprising a group of proactive Year 6 children, design and implement a range of strategies (including and separate to these listed) which have a whole-school impact and address bullying using the power of pupil voice.
- School code of conduct;
- Creating an open culture where feelings are validated;
- Using Circle Time and Personal Development lessons within and across the curriculum to explore children's feelings and raise awareness of different kinds of behaviour;
- Exploring different scenarios (through video, story, poetry, role play, discussion, drama);

'Nobody else is Quite like Me'

- Encouraging empathy (what is he/she feeling/how would they feel);
- Encouraging children to see another's point of view;
- Class Rules
- Displays, including the [Superheroes Power for Good](#) display, designed and created by children in Art Club;
- Praise assemblies to develop children's confidence and self-esteem;
- Buddy systems;
- Certificates, praise and reward systems;
- Worry boxes in classrooms;
- Pastoral care programme, including 1-1 sessions with the Pastoral Manager, as well as group interventions based around emotional literacy and emotional wellbeing.
- Focused assemblies;
- Theatre Group Visits;
- Links with and activities alongside the high school to ensure smooth transition from Year 6 to Year 7.
- National Anti-Bullying week, including an 'Anti-bullying Day';
- Promotion of respect for others and understanding the effects of their own behaviour.

Implementation:

The following steps may be taken when dealing with any incidents of bullying (see also **Appendix A** for Anti-Bullying Flow Chart):

- If bullying is suspected or reported, the incident will be dealt with promptly by the member of staff who has been approached.
- A clear account of the incident will be recorded and discussed with the Headteacher, Deputy Headteacher, Assistant Headteacher or Pastoral Manager.
- The Headteacher, Deputy Headteacher, Assistant Headteacher or Pastoral Manager will interview all concerned and will record the incident.
- Class teachers will be kept informed
- Sanctions will be used as appropriate and in consultation with all involved, including parents/carers and in line with this policy, as well as the behaviour policy.

Strategies for addressing bullying:

The following is a list of actions available to staff depending on the perceived seriousness of the situation. The emphasis is always on a caring, listening approach, as the children bullying others are often victims too and this could be the cause of the behaviour (see also **Appendix A** for Anti-Bullying Flow Chart):

- Discussions at length with the victim. This will require patience and understanding. Remember – listen, believe, act.
- Where long term bullying is identified, the bullying checklist will be completed by a person known to the child.
- Identify the child(ren) bullying the victim. Obtain witnesses if possible. Notify the Headteacher, Deputy Headteacher or Assistant Headteacher.
- Discussions with the child bullying the victim. Confront them with the details and ask them to tell the truth about the situation/incident. Make it clear that bullying is not acceptable at Vernon Primary School.
- If they own up, then follow the procedure outlined below alongside the Behaviour Policy
- If they do not own up, investigate further. If it is clear that they are not telling the truth, continue with the procedure. Children usually own up if presented with all the facts. Ask them to note down what they have done and how they will make the right choices in future.
- Separate discussions with parents/carers of all children involved.
- Sanctions for the child (according to and in line with Behaviour Policy) may include withdrawal from favoured activities, loss of playtimes, exclusion from school during lunchtimes, exclusion from school, depending on the perceived severity of the incident(s).
- Continue monitoring the situation by observing at playtimes/lunchtimes and having discussions with victim to ensure no repetition (ask the midday assistants to monitor the situation at lunchtimes).

'Nobody else is Quite like Me'

- As the behaviour of the child improves, then favoured activities can be reinstated, and the child should be praised for good behaviour.
- Ongoing support should be provided for any pupils involved in or affected by the incident(s), such as the victim(s). This support can include praise, rewards, liaison with parents/carers, safe space, circle of friends activities, listening time, Personal Development lessons with a specific focus and buddy systems.

Pupils who have been bullied will be supported by:

- Offering an immediate opportunity to discuss the experience with a member of staff of their choice;
- Reassuring the pupil that they have done the right thing by making a report and the School will be responding;
- Offering of continuous support in relation to their safety and emotional well-being;
- Ensuring safety;
- Working to restore self-esteem and confidence.
- Where appropriate, a wellbeing plan will be implemented.

Pupils who have bullied will be helped by:

- Discussing what happened;
- Discovering why they became involved;
- Exploring different perspective as appropriate;
- Establishing all hurtful behaviour and the need to change;
- Informing parents/carers to support change in the pupil.
- Where appropriate, a wellbeing plan will be implemented.

Pupils who have acted as bystanders will be supported by:

- Exploring ways to help them aid the situation using sensible and safe strategies (identifying the correct choice of behaviour, not encouraging others to make the wrong choice of behaviour);
- Encouraging pupils to share information and concerns with trusted adults;
- Discussing ways to support individual pupils (bystanders) and the impact on their emotional wellbeing;
