Thursday 13th September 2018

Dear Parents/Carers,

Your child has shown an interest in joining the Engineering Club. The club will meet every Tuesday from 3.15pm to 4.00pm starting on Tuesday 18th September in Mrs Hough's classroom.

The club aims to inspire students and engage them in all aspects of science and engineering. It will provide an opportunity to see and take part in aspects of science that it may not be possible to do during normal lesson time with activities which link strongly with STEM (science, technology, engineering and mathematics). There will be an emphasis on fun learning of science with standalone activities and project work.

Activities will include a parachute challenge, robot building and a great rocket balloon race!

If you would like your child to attend please fill out the below form and return it to Mrs Hough or the main school office. Thank you for your continued support.

Yours faithfully,

Mrs L Hough

.....
I give permission for _____ to attend Mrs Hough's Engineering Club.

I understand that it is each Tuesday from 3:15-4:00pm.

My child will be collected by: _____

Signed: _____ parent / guardian

Nobody else is quite like me'
