Friday 17th May 2019

Dear Parents/Carers

Next week (20th – 24th May) is national 'Walk to School' week. We have decided to once again take part in this initiative to encourage our children to enjoy a healthy lifestyle. During the week the children will be asked how they came to school e.g. walking, bike, scooter. A record of this will be kept in each class. The class with the most children who have not come to school by car will receive a certificate, a class reward and ten house points each.

If you live somewhere that requires a car journey, you can park in the Civic Hall car park and walk from there. This will count as walking to school. As long as the children have approximately five minutes to walk, it will still count as walking.

We hope this will encourage our children to be more active and enjoy the journey to school, also learning key road safety skills on the way. We hope that in addition to the health benefits it will help with traffic congestion around school.

We hope all children will participate in this week and thank you for your continued support.

Yours faithfully

J. Evans

Nobody else is quite like me'
