

Vernon Primary School

Sportscape Leisure Ltd. will be running two exciting After-School Clubs at Vernon Primary School. Our courses allow children to learn new skills around key activities, using skills of throwing, catching, sending & receiving, aiming and control, as part of a team. Children will also get the chance to play in games and competitions each week. All our clubs are based around **fun, with certificates and medals to be won!** All children will be active throughout and will be taught about the positive effects of exercise and healthy living.
